ABOUT THE WORKSHOP

The field of Electronics & Communication Engineering (ECE) as well as Computer Science Engineering (CSE) is advancing by leaps and bounds; therefore it is essential that the institute and the faculties to keep pace with ever growing changes in technology so that students are never left behind. Henceforth, a one day symposium has been organized at BVEC, Karimganj to give the students an exposure to the ever growing and advancing technology in the field of Information and Communication Technologies related to both ECE and CSE.

Intended Outcome of the Workshop:

- Exposure to the latest technologies and practices in the field of ECE and CSE.
- Introduction to the research areas and scopes which will be beneficial in undertaking academic projects.
- Effective interaction with academic personnels from renowned institutes like IIT Guwahati, NIT Silchar and other institutes of Assam.

Who can participate?

The workshop aims to target UG students, PG students, Research Scholars, and also faculties of ECE and CSE from the Technical Institutes/Colleges /universities all over Assam.

Certificate will be provided after successful completion of the workshop. Registration will be on FIRST COME FIRST SERVE basis. Interested participants are asked to fill up the registration form and send/mail it to the coordinator on or before 28th September, 2018.

About Assam Science & Technology University:

Assam Science & Technology University is a State University of Government of Assam which was established on 4th January, 2010 by the "Assam Science and Technology University Act, 2009". The aim of ASTU is to bring all existing Engineering College/ Institutions in a common platform to follow same course curriculum. The vision of ASTU is to give synchronized strategic and operational leadership to technical education of Assam through a unified structure and create state of art infrastructure and train excellent academic personnel to be with the international peers.

About BVEC, Karimganj:

Barak Valley Engineering College is the first state government engineering college in the Barak valley region of Assam. The noble initiative for setting up this engineering college was taken in the year of 2009 by the Government of Assam and started its full-fledged operation in 2017 under the purview of Directorate of Technical Education (DTE), Assam. The campus is situated in Nirala, south-east part of Karimganj district of Assam. The college presently offers two undergraduate degree courses (Bachelor of Engineering course) in two different disciplines viz. Computer Science & Engineering and Electronics & Communication engineering Departments, which is affiliated to ASTU and approved by AICTE, New Delhi.

How to reach BVEC ?

It is about 22 kms and 15 kms away from Badarpur ASTC bus station and Badarpur railway junction respectively. The closest airport is Kumbhirgram airport Silchar, which is at a distance of around 60 km from the college campus.
